Beware Fridge Raiders; Move Update

By Lisa Aug, CFC Communications

Apparently someone or several someones are taking advantage of the disruptions caused by the Great CFC-CHS Floor Swap to steal food. We have had several reports of food disappearing from CHR Building refrigerators. Although this is a problem of long standing, it has escalated in the last few weeks.

Raiders seem particularly fond of meat sandwiches and have been ignoring yogurt and bagels. Nevertheless, we believe no one is safe from possible food theft.

Please take the following precautions:

Keep your food in the designated refrigerator for your office. Show respect for your colleagues' food - eat only what you have brought yourself.

Bring to work and put in the refrigerator only what you will eat that day. Minimize the food you leave in the refrigerator overnight.

Some people are also finding evidence of smoking outside the designated smoking rooms, such as cigarette butts dropped in coffee mugs, etc. If you notice incidents or evidence food theft or illicit smoking, please report them to [Phil Adkins](#) by email or at 564-2640.

Meanwhile, here are last week's moves to help you keep track of who's where when on the 4th and 5th Floors of the CHR Building.

Leasing and Design Branch has moved from the 4E side of the barrier to several temporary locations on 4C.

Division of Financial Management and Budget has moved from the 4W side of the barrier to their permanent location on 4C in the latest renovated area across from the escalators.

Grant Management Branch has moved from 5C to their permanent location on 4C in the latest renovated area across from the escalators.

Special projects and Associations has moved from 5C to their permanent location on 4C in the latest renovated area across from the escalators.

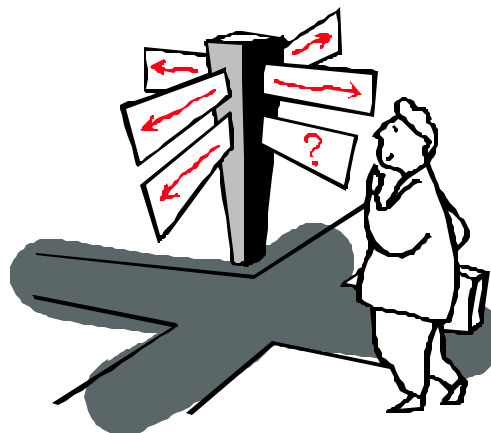

The next area to be renovated is the east side of 4C between the escalators and the Division of Personnel in 4C. That work starts October 18 and will take approximately two weeks. During that time, Personnel staff will not be able to reach 4C and 4W directly. You will have to use the stairs at 4E to the third or fifth floor, then the stairs or escalators in the central area to reach 4C and 4W. We apologize for the inconvenience.

The last large renovated area on the 4th Floor has reopened, and Office of Program Support staff will move into their permanent offices at 4C as soon as Cardinal builds the new modular units.

A few OPS staff will spend the next month in temporary space on 4 while the Finance Cabinet renovates the last two small sections: on the parking lot side of the Secretary's pod, and just west of Personnel at 4E. Recently Office of Performance Enhancement staff moved from the 1st Floor to their permanent offices on 3E.

The 4th Floor smoking room has been removed. We ask 4th Floor smokers to please use the smoking room on the 3rd Floor.

By October 18, Cabinet for Health Services staff will be off the 4th Floor completely, although several areas on the 5th

Floor remain to be renovated. Cabinet for Families and Children staff on the 4th Floor will all be in permanent offices by November 15.

THE BRIDGE

From Big Sandy Now Online

By Margaret Davis Harney, CFC Communications

If you like to keep up with what's happening in the regions, Big Sandy is making it easy with the online publication of its regional newsletter, *The Bridge*. The Bridge is now in its second year as a printed quarterly newsletter, but became an online publication beginning with the fall issue, published in October at <http://cfc.state.ky.us/bridgeonline>.

The newsletter is published by a committee called the Bridge Crew, chaired by Norma Bailey. John Chaney is the publication's Webmaster.

"We're all excited over our first attempt to go online," Chaney said.

Kentucky's Quarter Design Is Announced

A Kentucky quarter will soon join the lineup of state quarters minted by the U. S. Treasury. Gov. Paul Patton and First Lady Judi Patton announced the quarter's design, at left, Oct. 3. Featuring "My Old Kentucky Home," the Kentucky quarter will be the first to have its own song.

Each state's quarter is being released in the order in which the state joined the Union; the Kentucky quarter will be the 15th in the series. It will first be released as part of a set in June 2001, and will go into general circulation in October 2001.

KECC Kickoff Is Oct. 17

By Anya Armes-Weber, CFC Communications

Get ready for the KECC Kickoff! It's Tuesday, Oct. 17 in CHR's back lawn. You can play games, listen to live music, enjoy lunch and socialize while you support six state charities. Volunteers are still needed to make or buy cakes, cookies, fruit baskets or anything sweet for the "cake walks" that day.

And if you've been practicing your talents for your time in the spotlight, Nov. 2 is the day. It's not too late to sign up your act for the Follies. Performers don't have to be CFC employees, so ask your friends and family to join in on the fun.

To volunteer for the Follies or to donate a treat for the cake walk, call KECC Coordinator Bonnie Cox at (502) 564-5028 or e-mail Bcox@mail.state.ky.us.
